RCS (Remote Computer Screen) control panel including
a sub-control panel on the side of the MB-7

In conjunction with the Digitizer MBX for Multi-Needle you can
run up to 3 MB-7 machines simultaneously and all 3 machines
can be embroidering different designs

A compact, lightweight, single-head 7-needle embroidery machine

The MB-7 is Janome's semi-industrial single-head 7-needle embroidery machine. It is compact, lightweight and portable. With the attached Remote Computer Screen (RCS), everything is at your fingertips.

Large-Size Bobbin

This bobbin is larger than a standard-size bobbin and can hold 40% more thread so the need to replace thread is reduced.

Sub-Control Panel

Built on the side of the machine, allows the MB-7 to be fully functional without the RCS unit attached.

RCS (Remote Computer Screen)

LCD colour touch screen.
Large viewing area.
USB slot on side.
Attaches to MB-7
or is free standing.

Multi Lighting

4 white LED lights help users increase efficiency of embroidery work.
