RIBBON SEWING GUIDE

This attachment is used to embellish ribbons, not for attaching ribbons. Create decorative ribbons to personalize gifts or used to embellish your sewing projects. You can use ribbons up to 25mm (1"). You can use any foot which suits the ribbon you are using. Recommended to use tearaway for delicate or soft ribbon. This accessory has full instructions included.

This Accessory of the Month has a bonus project using the Ribbon Sewing Guide. Press the below link to download the project.
