Ribbon and Sequin Foot

As with beads and pearls it is now so much easier to attach ribbons and even sequins with the help of our special ribbon/sequin foot. This foot is designed with guides through which ribbon or strung sequins can be inserted and it will allow them to feed through evenly as you sew. Besides affixing the ribbon, a wide ladder stitch can be used with narrow ribbon to make an easy and functional drawstring.

This Accessory of the Month does have a bonus project for you to make using the Ribbon and Sequin Foot. Press the link to download the project.
