Spool Stand

The spool stand attaches easily to the back of your machine. When using multiple colours of embroidery or sewing thread it makes for trouble-free sewing. The stands allow for larger spools of thread to be used that may not usually fit on standard spool pins. There are two sizes available to best suit your sewing needs.

Part Number	Compatible Machines
859430009	5 Thread Spool Stand - MC15000, MC14000, MC12000, Skyline S9, MC9900, MC9400QCP, Skyline S7, Skyline S5, Skyline S3, MC500E, MC400E
