Accessory of the Month

August 2019

PINTUCK FOOT and PINTUCK CORD GUIDE

The pintucking foot is used with a 2 mm twin needle to create multiple rows of pintucks. The grooves on the underside of the foot make it easy to stitch several rows parallel and evenly spaced from each other.

The cord guide is attached in place of the clear plastic bobbin cover to feed perle cotton or other cord as you sew for easier corded pintucks. Two guides are included in the set: one for cord up to 1.5 mm in diameter and one for cord 1.5 - 2.5 mm in diameter.

This Accessory of the Month has a bonus project using the Pintuck Foot and Pintuck Cord Guide. Press the below link to download the project.
